

GREENEYE NURSERY — WEST ELEVATION (view from 60ft road)

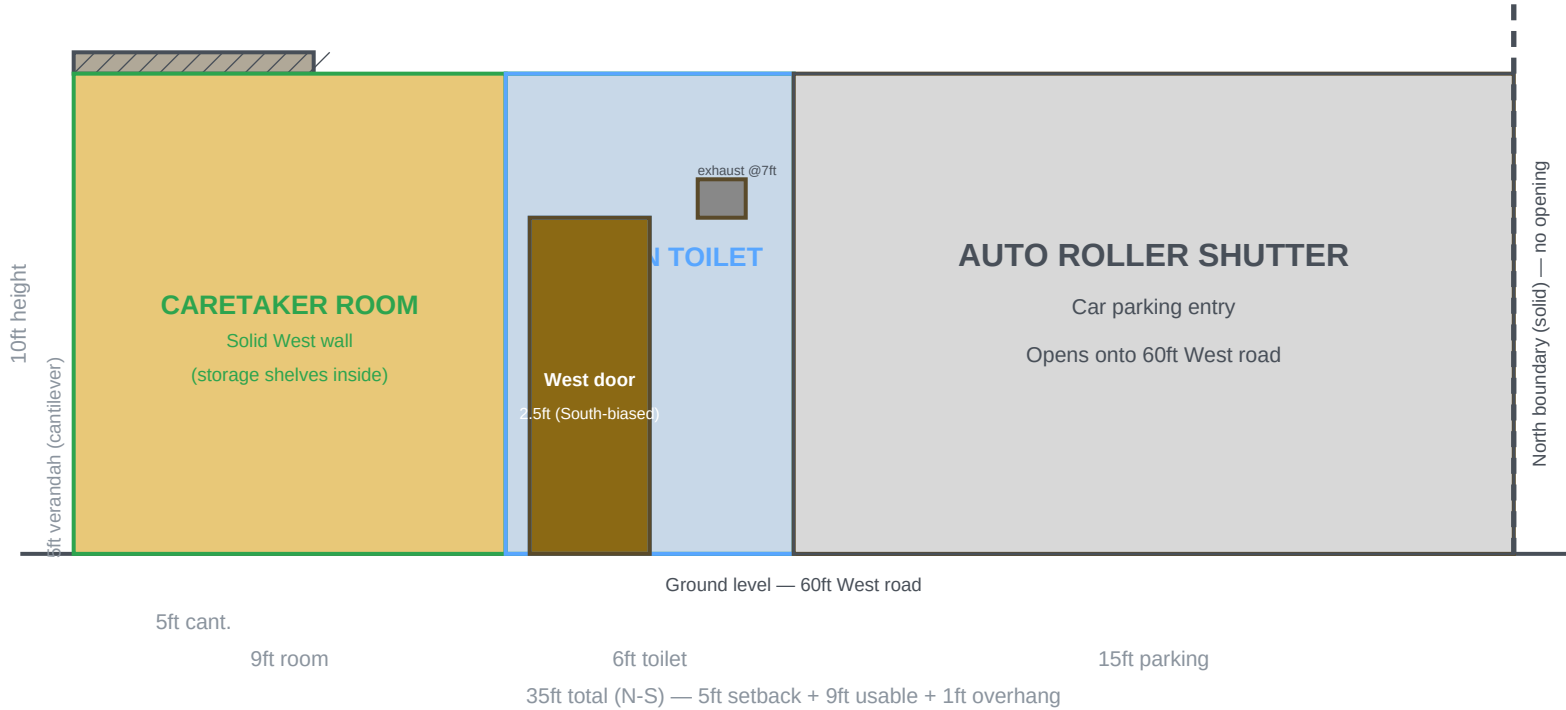

NW corner construction | South (left) to North (right) | Scale: 1ft = 18pt | Auto shutter + toilet West door + exhaust fan
Greeneye Nursery & Sustainability Centre | Owner: Piyush Ji | Architect: Diksha Singh, AK Interiors, Jaipur | 22 March 2026

VASTU NOTES — WEST FACE

- ✓ West = Varuna (water deity)
- ✓ Toilet door on West — correct for waste/water
- ✓ Exhaust fan exits West — waste air via Varuna
- ✓ Door South-biased — NW Vayu corner undisturbed
- ✓ Hinged S jamb, swings E — clear of WC + NW
- ✓ Auto shutter at NW corner — vehicle entry OK
- ✓ 5ft pathway open both ends — no trapped energy
- ✓ Drain exits West — water exits via Varuna direction
- ✓ Soak pit at W boundary — correct placement

Composite deck slab — profiled GI + 75-100mm M20 concrete — slopes East

NOTE: 5ft open setback pathway runs between viewer (road) and this structure. Open to sky — no roof. Toilet accessed via this pathway.
