

GREENEYE NURSERY — COMMON TOILET DETAILED PLAN (v4 FINAL)

NW Corner · 9ft (E-W) × 6ft (N-S) · Phase 1 · Vastu 95%
Owner: Piyush Ji · Architect: Diksha Singh, AK Interiors, Jaipur · Date: 22 March 2026

TOILET FIXTURES

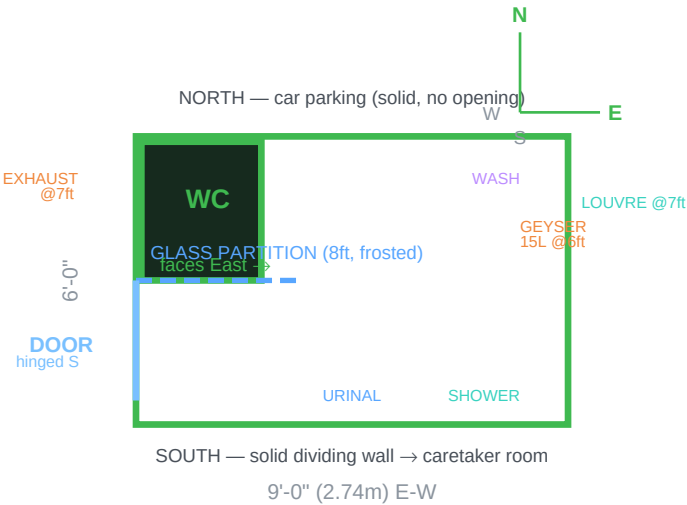

WC	Western commode, W wall N portion, faces East (Vastu)
Glass Partition	8ft frosted tempered, between WC & door zone
Door	W wall S-biased, 2.5ft, hinged S jamb, swings E
Urinal	S wall center, wall-hung ceramic, faces South
Handwash	E wall NE area, granite counter, faces East
Shower	SE corner, ~3ft×2.4ft, glass partition
Geyser	E wall @6ft, 15L storage, feeds handwash + shower
Exhaust	W wall @7ft, into 5ft open pathway
Louvre	E wall @7ft, fresh air from nursery land

PLUMBING

Cold main	3/4" CPVC, enters NW, runs along N wall
Hot lines	CPVC green, geyser → handwash + shower
Drainage	All drains → 4" soil pipe → exits W wall → soak pit

VASTU COMPLIANCE: 95%

WC faces East	Classical requirement ✓
Toilet in NW zone	Vayu energy, water exits correctly ✓
Door S-biased	NW Vayu sub-corner 4ft+ free ✓
Drain exits West	Varuna direction ✓
Cross-ventilation E→W	Surya in, Varuna out ✓

GREENEYE NURSERY — CARETAKER ROOM DETAILED PLAN (FINAL)

NW Corner · 9ft (E-W) × 9ft (N-S) + 5ft South Cantilever · Phase 1 · Vastu 92%
Owner: Piyush Ji · Architect: Diksha Singh, AK Interiors, Jaipur · Date: 22 March 2026

CARETAKER ROOM LAYOUT

L-Counter	NW corner, N arm: 6.3ft×1ft, W arm: 3.4ft×1.5ft, RCC @2.5ft
Kitchenette	W arm: single induction, electric kettle, 15A socket
Mini Fridge	50L under W arm counter, milk/eggs/butter
Storage	SW, 5.5ft×1.5ft, 4 shelves, floor-to-ceiling
Bed	6ft×6ft king, S zone, head South (magnetic ✓)
Door	NE corner, 3ft, hinged N jamb, swings along N wall
Louver Window	E wall 6ft, operable slats, Surya light + air
High Louvre	W wall @7ft, fixed, air exits to pathway
Outdoor Counter	S cantilever SW, 6ft×2ft, shelf + 3×5A sockets

CROSS-VENTILATION

Air IN	SE louver window (6ft) — Surya fresh air
Air OUT	NW high louver @7ft — into open pathway
Path	E→ W across 9ft room, over bed, ceiling fan assists
Night	Works with door closed — critical for Jaipur summers

VASTU COMPLIANCE: 92%

East door (NE)	Surya/Ishan entry ✓
E wall 100% open	Door + 6ft louver = max Indra energy ✓
Bed head South	Earth magnetic alignment, Yama wall ✓
SW heaviest	Storage + counter + bed head ✓
NE lightest	Door only (lightest element) ✓
Brahmasthan open	Center clear, fan + airflow ✓
Advisory	Door in NE Ishan corner — diya mitigates

ELECTRICAL

Ceiling	1× LED 12W + 1× ceiling fan (center)
Kitchenette	1× 15A (induction MCB) + 1× 5A (fridge/kettle)
General	1× 5A N wall (charging) + SB near door
Outdoor	3× 5A on S wall exterior (under cantilever)
Load	~2.2kW peak, 4kW MCB, RCCB protection
